## Introduction

Aspire International is a contemporary school which was founded in the year of 2015. Aspire is promoted by SAR-LA Education Trust. The Trust based out of Mumbai, is involved with several philanthropic endeavors in the field of health and education across the country. Aspire aims to provide a stimulating learning environment for the students. The serene setting of the school amidst lush green environment proves perfectly conducive for learning, while the internationally styled architecture reflects Aspire's philosophy of moulding its students into world's citizens. The school is located on Wardha Road and 13 kms away from the international airport of Nagpur. The pedagogy and the infrastructure gives Aspire an opportunity to groom a child from Nursery to Senior level. At Aspire, we seek to create an open and creative community where all are valued, supported and challenged to be the best they can possibly be.

## The Name & The Emblem

Aspire signifies passion to achieve higher and bigger goals. The motto "Sapientia et Virtus" means wisdom & virtue which signifies the way Aspire International School approaches education. Aspire aims at an education that not only provides knowledge but also inculcates wisdom.

## Our Mission & Vision

Inspiring young minds to develop critical thinking, problem solving skills and enthusiasm for life long learning. Nurturing a caring and compassionate outlook through the value of teamwork, leadership and social responsibility. Promoting the spirit of inquiry, cultivating open-mindedness and developing inter-cultural understanding. Imparting international education that is globally relevant through recognized curriculum. Fostering holistic, integrated learning opportunities through learning centric approach.

Our vision is to build our nation and children's future by meeting the educational needs of TODAY with the traditional wisdom of YESTERDAY and the technology of TOMORROW. Tomorrow's citizens will have to be able to survive in a much more challenging and faster paced environment. At Aspire International School we want every student not only to survive but also to flourish in meeting these challenges.

## CAMPUS

Located at Nagpur (Maharashtra) Aspire International is centered in the education hub of Vidarbha. It is just 13 kilometers away from the International Airport, and about 14 kilometers away from the center of Nagpur. School is located on Wardha Road on a lush green 9 acres campus. The campus is endowed with a new age academic block, modern library and multiple sports courts, and play grounds.

The school building equipped with state-of-the-art infrastructure can easily house more than 1200 students at any given point of time. The building with its modern architecture brings together futuristic classrooms fitted with interactive digital boards packed with multimedia animated content. The academic block comes equipped with a massive space meant for school assembly and other co-curricular activities along with excellent facilities for providing clean potable drinking water and ultra hygienic sanitation.

## The New Generation Classroom

Our classrooms are an extension of our mantra of always trying to maintain a lively inquisitive spirit amongst our students. Each of the classrooms comes equipped with state-of-the-art infrastructure, Interactive Whiteboard, Projector, server connected CPU & animated modules calibrated to the CBSE syllabus. The academic building is constructed in such a way that each of the classroom gets a view of their own with ample light and crossventilation. The concept of fun is woven through lively colors, comfortable seating arrangement and notice boards.

## Facilities

While designing the school building, we have kept our students well being and development at the helm of our concerns. Our school building today is equipped with a colorful pre primary section, playroom, fun filled library with multi-media content, computer lab (wi-fi campus), music lab, dance studio, art and craft room, activity areas, science labs, rest rooms, and multipurpose hall.

## Sports & Games Facilities

At Aspire we believe it is vital for our students to both set and achieve a high standard in the twin areas of sports and physical education. Apart from major sports like football, basketball, athletics, cricket and volleyball, we also offer badminton, table-tennis, yoga, karate, skating at Aspire International School.

## Focus on Individual

Maximum students in one classroom is 30. At Aspire, we make sure a student gets due attention while studying or playing. We strictly maintain a ratio of more than 1.8 teachers per section. We also follow our personality development tracker TAA which helps us to understand the strengths and weaknesses of each child separately. Personal counselling is a part of the pedagogy at Aspire.

## Focus on Co-Curricular

Academic year is filled with activities. Events & activities are designed to educate and enthuse at the same time. The entire session features a slew of activities for students to participate there by honing their stage and performance skills. Activities range from debate to sports competitions. The students also run a Tri-Monthly new letter called 'RAYS' which features the best of the articles from the students.

## Activity Based Education

Curriculum beyond text books. Special activities are custom made for students to help them learn while having fun. Students can choose from a range of hobbies to shape their interests. Aspire strictly follows Play - way method to impart education. The lesson planning is done weeks in advance and the parents are informed about the same through the planner 'SKED'.

## Quality Faculty

Aspire's staff boasts of a combined work experience of more than 150 yrs. The faculty is involved in a constant dialogue with parents and are accessible to students all the time.

## Facilities

We follow complete new education policy to monitor the progress of each student. We employ our own pedagogy to teach students.

## KALIEDOSCOPE

KALIEDOSCOPE is Aspire's Annual Inter-School Festival which invites schools from all over Nagpur to participate in the two-day festival. Kaliedoscope gives Aspirers a wonderful opportunity to not only participate across literary, sports, art, craft and performing arts competition but also grooms them in getting a taste of how to manage a large-scale event. KALIEDOSCOPE contributes to students overall development & showcase their talent on a wider canvas

## Activities & Events at Aspire

## HOUSES

The four houses of the school Wisdom, Justice, Courage and Prudence are always competing healthily with each other round the year to win the coveted best-house trophy by participating in a mix of literary, sports, creative & performing arts competition.

# Aspire's Initiatives

## Mobile App

With the Aspire International School mobile application, the parents can communicate with the school. All day to day activities will be available for the parents in the mobile application.

## SKED

This is Aspire's curriculum which is the annual academic calendar. SKED takes care of the all - round personality development of the students and their academic progress.

## Aspiration

Aspiration is the annual school magazine which is provided to each student. Aspiration encourages and motivates the literary talent of the students at Aspire International School. At Aspire, the nature nurtures both knowledge and the knowledge transfer process, from the teacher to the learner.

## Pedagogy

We follow the new education policy to monitor the progress of each students. We employ our pedagogy to teach students through activities. The school where nature makes it an ideal avenue for education. It's learning in nature's lap.
