## “Empowering Educators, Inspiring Futures”

### ➤ Workshops imparting training in CBSE curriculum:

An online workshop imparting training in CBSE Curriculum was organized on 4<sup>th</sup> April 2023. Dr. Neha Sharma who is an experienced and skilled educationist, imparted training, enlightening the teachers on the basic aspects of CBSE curriculum. The major topics covered were the core principles of the CBSE curriculum and its various pedagogical practices.

### Workshops imparting training in Soft-Skills:

In the 21st century, soft skills are crucial for educators and administrative staff. From this perspective, our soft skills trainer, Mrs. Kavita Shetty conducted workshops on Critical & Creative Thinking, Time Management and Goal Setting & Interpersonal skills. The series concluded with a debrief session wherein the trainees applied their knowledge, competencies, and potential for an innovative presentation of all that they had learned in the previous session

The teachers of Aspire had a wonderful opportunity to honing their teaching skills all the more as they learnt about the popular educational model - Bloom's Taxonomy. Principal Mrs. Rashmi Shendre conducted the session and helped the teachers think about and analyze their teaching and students' learning. The session enlightened the teachers about the objectives of classroom teaching and how the levels of Bloom's Taxonomy move students through the process of learning.

### Aspire's Pinnacle Achievement: CBSE Affiliation

A significant milestone in the journey of Aspire is its affiliation with the Central Board of Secondary Education (CBSE) for AY-2024-25.
